Subject: BSL 3 - 2 conversions

Hi,
Friendly reminder – please send your questions regarding any aspect of converting labs from use as a BSL 3 to use as a BSL 2 space.

Dr. Richmond will join us for a conference call on December 2 from 11:30 am – 1 pm. This conference call is with the other New England states and Wadsworth Center of NY.

Dr. Richmond requested that all questions be collated and sent to him in one packet. I am coordinating the questions and will send to him by Nov. 15.

Thanks,
Peggy DiNatale
